Section 2.

No owner of land located within the District shall be eligible to become a water subscriber unless he has first subscribed and paid for one or more Benefit Units. Tenants occupying land located within the District may become water subscribers: provided, that the owner, or someone on behalf of the owner, has subscribed and paid for one or more Benefit Units in favor of the land or premises occupied by the tenant.

Article V

RIGHT TO VOTE

Section 1.

Only participating members shall have the right to vote, and each participating member shall be entitled to a single vote, regardless of the number of Benefit Units to which he may have subscribed: provided all owners of land located within the District shall be eligible to vote at a meeting of landowners until ninety (90) days after a declaration of availability of Benefit Units and unit fees have been entered by the Board in its minutes. There shall be no proxy voting, and no dual ownership of Benefit Units for voting purposes. A participating member may be an individual, firm, partnership, association or corporation.

PARTICIPATING MEMBERS SHALL BE:

- (a) Owners of land located within the District who have subscribed to one or more Benefit Units: provided, payments of charges are current on at least one of the Benefit Units.

Article VI

BENEFIT UNITS

Section 1.

The Board shall at the proper time cause a declaration of availability of Benefit Units for subscription to be entered in its minutes and shall establish a unit price for said subscriptions. The meter deposits of existing users in incorporated towns who desire to continue to be users shall be credited toward the price of a Benefit Unit. Each Benefit

Unit shall carry with it the obligation of paying a minimum monthly meter charge from the time service is available. The Board in its discretion may from time to time, if the capacity of the District's facilities permit make additional Benefit Units available. Subscriptions for Benefit Units shall be given preference and priority in order in which received. The Board may refuse the subscription for a Benefit Unit in favor of a particular tract of land located within the District, or impose special conditions on granting the same if in the judgment of the Board, the granting of said subscription and the furnishing of water pursuant thereto, would impair the service to other water users in that locality or be uneconomical, unfeasible, and place an undue burden on the District. Any landowner who feels himself aggrieved by such denial, or imposition of special conditions, may appeal from the action of the Board to a vote of the members at the next regular meeting of the members, or special meeting of the members called for such purpose: provided, the decision of the Board shall stand unless $\frac{3}{4}$ of all participating members (or land-owners at meetings where only qualification to vote is ownership of land within the District), vote in favor of a motion to overrule the decision of the Board.

Section 2.

Upon the purchase of Benefit Units, the owners of land shall designate the tract of land to which the Benefit Units shall be assigned, and the Benefit Unit shall not be transferred from one tract of land to another within the District without the approval of the Board. The owner of lands subscribing for more than one Benefit Unit to be assigned to one tract of land shall at the time of said subscription designate as nearly as practical the location of said tract where he intends to utilize said Benefit Units and no major change in location shall be made without the approval of the Board. Benefit Unit Certificates shall be issued by the Board, signed by the Chairman and Secretary, showing name of owner, and tract of land to which the Benefit Unit is assigned, numbered consecutively in the order in which issued.

Section 3.

The consideration paid for Benefit Units shall be considered donations to the District and shall in no event and under no circumstances be refunded to the subscriber.

Section 4.

Benefit Units shall follow the title of the land unless the owner of the land designates otherwise. Owners may transfer Benefit Units from one tract of land to another tract owned by them within the District, subject, however, to the approval of the Board. No transfer in ownership of Benefit Units shall be permitted without approval of the Board. No transfer will be approved unless all charges against the Benefit Unit are paid. All transfers when approved shall be recorded in the books of the District.

Section 5.

Each Benefit Unit shall entitle the owner to not exceed one line from the District's water system. Each line shall serve not to exceed one residence or business establishment together with the necessary and usual out-buildings.

Section 6.

Failure to pay the minimum monthly meter charge, or failure to pay for water used through a meter shall constitute a forfeiture of the Benefit Unit on behalf of which such failure occurs: provided, that such Benefit Unit shall be reinstated if within three (3) months after such failure all back charges are paid in full, plus 10% interest and reasonable labor charges necessary to effect reconnections. Provided further, that the Board may permit such reinstatement within six (6) months after such failure upon payment of all back charges, plus 10% interest, and reasonable labor charges necessary to effect such reconnections. Provided further, that if the defaulting water subscriber is a tenant, the time set out above shall not commence to run until the Secretary of the District has mailed or caused to be mailed, by registered or certified mail, notice of such default of the tenant to the landowner at his last known address as shown on the books of the District.

Article VII

Any vacancy in the Board, other than from the expiration of a term of office, shall be filled by appointment by the remaining members of the Board. The disqualification of a Director as a participating member of the District or failure of any original Director to become a participating member within 30 days after subscription to Benefit Units are made available through action of the Board, shall operate to disqualify him as a Director and to create a vacancy in the office of the Director.

Section 4.

A majority of the Board shall constitute a quorum at any meeting of the Board.

Section 5.

Any Director of the District may be removed from office for cause by a vote of not less than $\frac{3}{4}$ of the participating members of the District at any annual or special meeting called for that purpose. Officers of the Board may be removed for cause by vote of $\frac{3}{5}$ of the members of the Board, and employees and agents discharged or removed from office or employment at any time by action of the Board. When the Board of Directors is the governing body of the city or town, they may not be removed except by due process of city government.
